

### Remarks

In the Advisory Action mailed March 29, 2010, the Examiner maintains the rejection of claim 11 under the first paragraph of 35 U.S.C. §112. This claim has now been amended to overcome the rejection, based on the disclosure at page 31, line 3 and the word "adhered" in the left column of Table 1 on page 32 of the specification.

### Substance of Interview

On May 10, 2010, Applicants' attorney discussed this application with the Examiner by telephone, indicating that it was Applicants' intention to file an amendment and a Rule 132 Declaration. [The amendment is the amendment to claim 11 set forth above.] The Examiner indicated that he would wait until the middle of June before again acting on the application, giving Applicants the opportunity to file the Declaration by that time.

Respectfully submitted,

Ryosuke NISHIDA et al.
